Greetings,

Thank you for supporting the documentary of 60 Years of Waterama. I am writing to you today to explain why the production hasn't been released. Due to unexpected situations in our personal lives, we had to put the production on hold. We want to make sure this production is the best it possibly can be.

I am happy to announce that we are working feverously on the project and will be released July 2017. Thank you again for your time and your support.

Sincerely,

Lisa Gulsvig
